# Projects

---

## Personal Portfolio Website

Developed a professional responsive website for a mobile and computer maintenance business using HTML, CSS, JavaScript, PHP, and MySQL. Implemented dark/light mode support, bilingual interface (Arabic/English), and responsive design for all screen sizes.

## Car Showroom Web Application

Built a responsive car showroom web application connected to a MySQL database and deployed on paid hosting. Included bilingual support, dark/light mode, and modern UI design. ↗ <https://amstradingyaser.com/>
